#### Early Collection of Registration Ribbons, Bags & Mugs

Wednesday 11th August at Dan Dinna House, Torquay, 4655

6pm to 6.30pm only.

We have a dance that night with James Reid from 7pm, don't want to miss it.

On Friday 13th at Senior Citizens Club, Tottness St, these will be available from 6pm.

There will be session tickets at the door. Day time sessions \$10.00, night time sessions \$15.00 (yes, it's easier and better if you register for the whole weekend, less hassle, even more so now we have COVID rules to comply with. Once registered you'll be on our database and you won't have to fill out all your details every time).

We would like to invite all Clubs to have Dress Sets. With a floral theme it should be easy to create a colourful flower garden Square. Most dancers agree that retaining the dress sets adds to the overall Convention.

Hervey Bay will be holding 2 Monster Raffles, 1 drawn Friday night, 2nd one drawn Saturday night, tickets will be \$2.- each or 3 for \$5.00, bring some change, it will be worthwhile.

#### HBSDC is doing minimum catering.

There will be plates with sandwiches and a piece of cake for \$5.00 at the Senior Citz. kitchen servery during the weekend.

We'll have a 'Petal's Cafe' where you can make tea and coffee.

We have been warned that this room has new carpet, PLEASE be extra careful with your cuppas and food.

There's also an outdoor area set up where you can take your drinks and eats.

Each night at the Senior Citz there will be a supper after the dancing at 10pm.

Please share this information with other dancers, who may not have email, or who may not have registered yet. Could you perhaps print the flyers and put them up at your club? Thanks for helping to spread the word.

Should you have any further questions, try our website, give one of us a call or just wait and see, it may all come out in the wash.

Remember too, all this is correct at the time of sending out.

Everybody, do your bit, stay healthy, stay safe and keep smiling.

We look forward to welcoming you, once again, to Hervey Bay

Safe travels

Samantha
